SUMSearch

KU WICHTA SUMSearch 2 KU MEDICAL CENTER

Original studies Systematic reviews Guidelines

19 guidelines from NICE found.
160 possible guidelines found at PubMed. Will restrict search terms to MeSH major headings.
26 possible guidelines found from PubMed ([View at PubMed](#))

Merged list (duplicates may occur if the same guideline is at PubMed and guidetests.gov)

1. **Care of the HIV-exposed infant with indeterminate status.**
New York State Department of Health - State/Local Government Agency [U 2.] 2014 NQIC: [000393](#)
2. **A.A.P.E.N. clinical guideline: support of pediatric patients with interstitial failure at risk of parenteral nutrition-associated liver disease.**
American Society for Parenteral and Enteral Nutrition - Professional Association, 2014 NQIC: [004871](#)
3. **A.A.P.E.N. clinical guideline: nutrition support of neonatal patients at risk for metabolic bone disease.**
American Society for Parenteral and Enteral Nutrition - Professional Association, 2013 NQIC: [000377](#)
4. **Maternal-fetal guidelines for the care of late preterm infants.**
J Perinatol: National Perinatal Association, 2013 PMID: [23900222](#). [Cite](#)
5. **European consensus guideline on the management of neonatal respiratory distress syndrome in preterm infants - 2013 update.**
European Association of Perinatal Medicine, 2013 PMID: [23750115](#). [Cite](#)
6. **A.A.P.E.N. clinical guideline: nutrition support of neonatal patients at risk for metabolic bone disease.**
J Perin F Parenter Enteral Nutr. American Society for Parenteral and Enteral Nutrition, 2013 PMID: [23833465](#). [Cite](#)
7. **Management of preterm labor.**
American College of Obstetricians and Gynecologists - Medical Specialty Society 2012 NQIC: [004112](#)
8. **Levels of neonatal care.**
Evidence: American Academy of Pediatrics Committee on Early Child Development, 2012 PMID: [22262173](#). [Cite](#)
9. **Perinatal network consensus guidelines on the resuscitation of extremely preterm infants born at <27 weeks' gestation.**
Eur J Paediatr North-West London Perinat Network, 2013 PMID: [23805839](#). [Cite](#)

The guidelines are a list merged from PubMed (using the [systematic guideline subscription tool](#)) and the [National Guidelines Clearinghouse](#) in approximate order of date.
Duplicates may occur if a guideline is published both in PubMed and NQIC.
